

Decree Index no. 1455 Ref. no. 26398
Date 18/02/2021
Title III Class V
UOR SEMFC

HAVING REGARD TO Politecnico di Milano's Articles of Association;
HAVING REGARD TO Ministerial Decree 3.11.1999, no. 509;
HAVING REGARD TO Ministerial Decree 22.10.2004, no. 270;
HAVING REGARD TO the University's Educational Rules - Regulations;
HAVING REGARD TO the Regulation of Specialising Masters of Politecnico di Milano issued with Rector's Decree no. 2235 of 05.08.2013;
HAVING ACQUIRED the favourable opinion of the Academic Senate during the meeting on 15.02.2021, on the establishment and activation of Specialising Masters including the "PROJECT MANAGEMENT OF STRUCTURAL AND INFRASTRUCTURAL WORKS " II level Specialising Masters

DECREES

The "PROJECT MANAGEMENT OF STRUCTURAL AND INFRASTRUCTURAL WORKS" II level specialising masters is established and activated for the year 2021/2022;

ART. 1

Masters features

The " PROJECT MANAGEMENT OF STRUCTURAL AND INFRASTRUCTURAL WORKS " II level specialising Masters is established and activated at the Department of Architecture, Built Environment and Construction Engineering.

The Masters' Administrative Office is at the Consorzio CIS-E, and the Reference School is the School of Architecture Urban Planning and Construction Engineering.

The Coordinator of the Specialising Masters is Prof. Pietro Giuseppe Crespi.

The Commission of the Specialising Masters programme comprises the following Politecnico di Milano professors: Pietro Giuseppe Crespi, Roberto Cigolini, Angelo Lucchini, Alberto Franchi, Paola Ronca and Eng. Giovanni Franchi from the Consorzio CIS-E.

ART. 2

Educational objective and employment opportunities

The Masters in PROJECT MANAGEMENT OF STRUCTURAL AND INFRASTRUCTURAL WORKS meets the Construction industry's pressing demand for figures prepared and qualified to efficiently and effectively manage Master Plans, projects and construction sites of any complexity, in compliance with the regulations deadlines, and order cost and quality. The programme will be delivered using in-attendance and distance learning methods.

The experience and presence of the F.lli Pesenti School professors and management professors of large construction sites provide a unique opportunity to train management with cross competencies in Structural Construction and Project Management. The occupational outlets are Real Estate Management Companies, Engineering and Architecture firms, Construction Companies, Technical Offices of Public Authorities, Public or Private Authorities and Agencies for the development of Infrastructure and Logistics.

The Masters can be followed online.

ART. 3
Teaching content and organisation

The Specialising Masters will start in **November 2021** and close in **November 2022**.

The Masters is divided into two semesters. There are site visits during the first semester lectures, and seminars. The second semester is focused on an internship and thesis completion. Online Masters' students can view the lectures in synchronous or asynchronous mode during the whole Academic Year. All students will have access to teaching materials and recorded lectures uploaded on the online platform and will remain available to students until their graduation date. Students can take advantage of other short courses offered by the School, for a small additional fee, to complete their education. Course material may be in English.

ART. 4
Admission requirements

The Masters is open to applicants with a Specialising Masters/Laurea Magistrale (equivalent to Master of Science) in Engineering, Architecture, and similar scientific disciplines. Equivalent qualifications from the university systems of foreign applicants are valid.

The Commission is responsible for the selection.

ART. 5
Formal requirements

The **admission application** must be submitted starting from the day following this Decree's date and **not later than 31st October 2021.**

*** Italian/foreign citizens who graduated in Italy**

- Self-certification of personal identity (surname and name, place and date of birth, nationality, and residence)
- Identity document copy
- copy of the Diploma Supplement or photocopy of the degree diploma and certificate with a list of exams taken for Old Educational System graduates
- Curriculum Vitae

*** Italian/EU citizens with qualification gained abroad**

- Self-certification of personal identity (surname and name, place and date of birth, nationality, and residence)
- Identity document copy
- Photocopy of the academic qualification obtained, and a certificate showing the marks given in the individual exams or Diploma Supplement (**during enrolment, the certificate of equivalence issued by the relevant area's Italian Representative abroad or certificate issued by the Enic/Naric Centres must be submitted**)
- Curriculum Vitae

The admission application must state the following "I authorise this University, under EU Regulation no. 2016/679 on data protection, to process personal data only for purposes related to the Masters' admission, enrolment and management, and agree to the disclosure of my personal information to third parties, particularly:

- public and private entities interested in possible recruitment;
- academic programme backers; Politecnico Treasurer for services related to tuition fees;
- entities managing unsecured loans, housing, flexible employment contracts, cultural, recreational and/or sports activities.
- I authorise the use of the data for statistical purposes in respect of the procedures and authorisations required by the cited regulation.

The extended information on data processing and on data subject rights is available on the website www.polimi.it/privacy

The application form can be found at <http://www.masterpesenti.polimi.it> or by contacting the secretariat of the F.Ili Pesenti School - Tel. +39 02.2399.4341/4381 e-mail: franchi@cise-polimi.it

The documentation must be sent to:

Consorzio CISE Politecnico Di Milano
Piazza Leonardo Da Vinci, 32
20133 MILAN (MI)
Telephone: +39.02.2399.4341/4381
Email: franchi@cise-polimi.it

Under Art. 75 of Italian Presidential Decree 445/2000, if the administration, after carrying out suitable checks, finds that the content of the declarations made by the applicant is untrue, the declarant forfeits any benefits obtained by the measure issued based on untrue declaration.

*** Non-EU citizens who graduated abroad**

Non-EU foreign citizens must submit the following to the Managing Authority:

- **copy of the degree** in the original language and its translation into Italian/English/French or Spanish
- **copy of the transcripts** with the list of exams in the original language and their translation into Italian/English/French or Spanish **or Diploma Supplement**
- **copy of a valid passport**
- Curriculum Vitae

At least 30 days before the enrolment closing date as set out in this article.

The Managing Authority shall send the documentation listed above for the evaluation of qualifications, to participate in the Politecnico di Milano's Specialising Masters, **Masters and Lifelong Learning Service by the closing date of this call for applications**, under the MIUR/MAE note "Procedures for entry, stay and enrolment of students applying for visas in higher education programmes in Italy for the 2020/21" academic year.

Following acceptance by the University, and only after confirming to the Managing Authority their participation on the Programme by the set methods, students must register on the Ministerial portal <https://www.universitaly.it> informing the Managing Authority that the registration has been completed in order for the application to be sent to the Representative responsible for issuing the entry visa.

ENROLMENT METHOD:

Students admitted to the Masters Programme must create access credentials to Politecnico di Milano's online services on the website www.polimi.it They must then enter their details and create a **person code**, attaching a valid identity document (passport for non-EU citizens), and communicate their person code to the Masters Managing Authority. Students already registered must update their personal details, if they are obsolete.

Portal access credentials must be retained as they will be required to access all of Politecnico di Milano's services. Lost access credentials may be autonomously restored or obtained by writing to master@polimi.it

Politecnico creates a temporary student identification number to allow the student to pay the enrolment fee via online services.

The achievement of an Italian degree can be self-certified by completing the appropriate form provided by the Managing Authority. A degree obtained abroad must be documented by presenting a **declaration of value (DOV)** issued by the Italian Representative abroad (Italian Embassy or Consulate) on letterhead complete with its original stamp; **or a certificate issued by the Enic/Naric Centres.**

In addition to the above documentation, **non-EU citizens must upload a copy of a valid residence permit on their online services personal data record.**

ART. 6
Degree and award recognitions

ISSUED CERTIFICATION

After passing the final test, the "Project Management of structural and infrastructural works" II level specialising masters will be awarded at the end of the Programme.

Students admitted to the Masters' final examination will pay the fee via the online services of Politecnico di Milano in order to be able to take the exam.

STUDENT OBLIGATIONS

Attendance is compulsory for at least 75 per cent of the programme activities.

Cancellation from the Programme must be made in writing. The training period may not be suspended for any reason. The simultaneous enrolment on a specialising Master and on another Italian University academic programme is not allowed.

TESTING METHODS

The final examination will consist of defending the Masters thesis.

ART. 7
Tuition fees and contributions
