### **HEREBY DECREES**

The Post Graduate Programme online "PROJECT AND CONTRACT MANAGEMENT IN CONSTRUCTION WORKS" is established and activated for the year 2021.

#### **ART. 1**

##### **Features of the Post Graduate Programme**

The Post Graduate Programme "PROJECT AND CONTRACT MANAGEMENT IN CONSTRUCTION WORKS" is established and activated under the Department of Architecture, Built Environment and Construction Engineering.

The Post Graduate Programme is offered by CIS-E Consortium, the school of reference is the School of Architecture, Urban Planning and Construction Engineering.

The Director of the Post Graduate Programme is Prof. Gianandrea Ciaramella.

The Commission of course is comprised of professors from the Politecnico di Milano, and includes Gianandrea Ciaramella, Alberto Franchi, Paola Ronca, Pietro Giuseppe Crespi and Angelo Lucchini.

#### **ART. 2**

##### **Training goals and employment opportunities**

The goal of this specializing course is to let engineers and architects become project managers in construction works who specialize in the management of contracts. The students will get all the information required to successfully pass the PMI (Project Management Institute) exams and to achieve their certificates. They will be acquainted with the main types of contracts (FIDIC, JCT, NEC), and they will see the main differences between the FIDIC books (Red, Pink, Yellow, and Silver). They will also be introduced to the basic principles and tools of claim management and delay analysis.

The job opportunities opened by the skills acquired following the lessons of this specializing course are varied and plentiful: construction firms, engineering companies, real-estate developers, general contractors, government agencies, etc., all of them need and look for project managers who know how to deal and effectively manage contracts, claims, and delays.

**The Master will be delivered in English.**

### **ART. 3 Teaching content and organisation**

The Post Graduate Programme will begin in **July 2021** and end in **November 2021**.

This specializing course is made of one unit (49 hours) about project management (the PMI Project Management Institute course) with four more courses (100 hours) which deal with specific aspects of contract management in international construction works. 149 will be the full number of hours of lesson. All the lessons will be recorded and easily accessible on the e-learning platform of the Master School F.lli Pesenti.
